

REQUEST FORM PORTABLE WATER STATIONS

Our portable water stations are a part of our partnership program and are available for large outdoor community events. The partnership value of the water station is \$500 per day in kind.

Please Note:

Applications must be made at least **6 weeks** prior to event. **This form and all associated documents to be received no later than 5 weeks prior to the event.**

The event location must have a dedicated water connection to reticulation systems supplied by TasWater, the water supply will be tested to ensure the potability at the nominated connection.

Specific location (google map, event site map etc) of where the water station will be located must be attached with this form. Connections to a potable water tap should be within seven metres of the water station unless otherwise agreed. Please also provide a photo of the tap for connection.

Your Public Liability insurance paperwork (Certificate of Currency) must be attached with this form for your application to be processed.

Full terms and conditions are available on our website www.taswater.com.au

Applicant Declaration

I, understand that use of the water station/s is subject to a suitable connection point being identified at the location requested. TasWater holds no responsibility for the water station becoming unavailable as a result of a breakdown or other unforeseen circumstances. TasWater will determine which water station will be most suitable for your event subject to availability.

I understand that if there is no event security on site overnight, the units must be packed down and stored in a secure location.

I have read and understood the terms and conditions.

I have watched the demonstration video : <https://www.youtube.com/watch?v=9dao-dcJArl>
